Introduction

Hello Brothers,

This newsletter highlights some of the chapter's activities from the summer, recognizes brothers who have been putting in great work, and gives a look at several events and opportunities we are planning for the fall. We hope to continue strengthening the relationship between our active chapter and alumni while creating more opportunities for everyone to stay involved in the brotherhood.

Alumni Focused Events

Alumni Golf Tournament

We are currently exploring options for an alumni golf tournament this fall. The tournament will most likely take place in early to mid-October. Our goal is to create a fun opportunity for alumni and active brothers to spend time together while enjoying a day on the course.

More information regarding the date, location, registration, and teams will be shared once the details are finalized.

College Football Watch Party

We are also working to select a date for a college football watch party at the fraternity house at **310 N. Clarke Street**.

This will be a relaxed opportunity for alumni to come back to the house, watch some football, meet current brothers, and reconnect with old friends. Additional information will be shared once we choose a game and date.

Monthly Happy Hour

Another event we are looking into is a monthly alumni happy hour at a local Milledgeville bar.

The goal is to give alumni in the area a casual and consistent opportunity to meet active brothers, reconnect with other alumni, and enjoy the fellowship of the brotherhood. We hope to have more information about the first happy hour soon.

Fundraising

Our Fundraising Chair is currently planning several raffles that will begin around the time of Deep Roots.

Information about the raffles, prizes, and how to participate will be posted on the chapter's Facebook page. These raffles will provide alumni, friends, and supporters with another opportunity to support the chapter while having the chance to win some great prizes.

We appreciate everyone who continues to support the chapter and helps make our events and activities possible.

Brother Spotlight

Rush Chairs:

Charlie Layman, Harrison Wetzler, and Brody Taylor

Charlie, Harrison, and Brody have been putting in a tremendous amount of work preparing for and leading rush. Their effort and dedication have played an important role in finding quality new members who will represent the values of our brotherhood.
We appreciate the time and energy they have put into strengthening the future of the chapter and wish them continued success throughout recruitment.

Formal Planner:

Henry Brooks

Plans are also coming together for our fall formal in Myrtle Beach.
Brothers will have the opportunity to spend time together at the beach, enjoy a round of golf, and take a break from campus for the weekend. We are looking forward to a great trip and another opportunity to build memories and strengthen the brotherhood

Philanthropy

Supporting Our Local First Responders

The chapter is currently working on plans to show our appreciation for Milledgeville's first responders in recognition of September 11.

We are planning to bring food to local first responders and help wash some of their fleet vehicles as a small way of thanking them for their service and dedication to our community.

We are grateful for everything they do to keep Milledgeville safe, and we look forward to giving back to the men and women who serve our community every day.

Looking Ahead

We have a lot to look forward to this fall, and we are excited to continue creating more opportunities for alumni to stay connected with the active chapter.

Thank you to all of our alumni for your continued support of the chapter and the brotherhood. We look forward to keeping everyone updated as these plans come together and hope to see many of you back in Milledgeville soon.

"The Star and Crescent shall not be worn by everyman, but only by him who is worthy to wear it. He must be a gentleman. A man of honor and courage. A man of zeal, yet humble. An intelligent man. A man of truth. One who tempers action and wisdom and, above all else, one who walks in the light of God."
